FROM THE DIRECTOR'S DESK

We JDBIMS, we train women to become young leaders/managers in constantly raised standards of business sectors, to contribute in the dynamic development of the business world. We prepare them to be better among the best, completing the motto of the SNTD Women's University, which is-"Sanskrita Stree Parashakti" (An enlightened woman is a source of Infinite strength). At JDBIMS students are expected to learn and enrich themselves with life-turning experiences which enable them to reach new heights of their professional life. Along with hectic busy curricular activities, students are encouraged to participate in various co-curricular and extra-curricular activities. JDBIMS offers a blend of traditional Indian culture and value systems which modern management theories and practices to prepare managers for the future.

Our Institute is working with a mission of empowering women and society. Placements are the most critical aspect of any professional management program. They are the final destination or the culmination of a management student's journey towards starting a career. Placement Planning is a proactive and ongoing process at JDBIMS. Strong efforts are made throughout the year to improve placement opportunities for the students. A dedicated placement team works towards building and strengthening the institute-industry relationship. The continuous success can be accredited to our faculty members and distinguished alumni whose support and trust have helped us create the leaders of tomorrow. The institute continues to work closely with the alumni to enhance its activities through interactions in academic and research programs.
